Frank Sains

3rd January 1922 - 1st January 2018

Frank was a very kind man and helped anyone in the budgerigar world. He praised people who bred a beautiful bird and had birds for over 60 years until he had to give them up due to ill health.

In 1955, after Frank met Marion, he got his first shed and pair of birds. The shed was put in the car park of the Borough Arms in Maldon and his first pair of light greens were given as a wedding present by Alec Wood. This was the start of a wonderful hobby.

Frank joined the Maldon BS in 1955 which was run by Ted Lloyd and Alec Wood at the time. Frank joined London and Southern in 1956 with his ring no. S1000. He enjoyed all the shows and the trips but most of all, the birds.

After a few moves, he finally settled in Heybridge and built his own shed. Marion would help by cleaning and tidying the shed for him so it was pristine, but the birds didn't seem to want to breed. Meanwhile, Alec's birds were breeding like crazy. Alec had mice in the shed and the dog would spend hours chasing them. Frank could never understand why Alec’s would breed so well and his wouldn't.

Frank enjoyed a catch up with Alan Baker and Danny Laverty on a Wednesday, which would often end up with a whiskey or two and a good old chat.

Welcome to our 2018 schedule on what is a very special occasion for us. Our first Gold Patronage Open Show. When I joined Mid Essex BS back in 2010, I joined a club that was not in good shape. I had ideas and aspirations but little did I realise or dream that in only 8 years we would go from a club that could fold to a club with a Gold Championship show, extremely healthy membership numbers and a club that is financially secure for the foreseeable future. All of this is tantamount to a great team I have around me. Everyone on our two committees actively contribute to the health and well being of this society, all bring something different, all are as important as each other. With team work and good plans, you can achieve anything.

During my time at the club, I've held several posts including General and Patronage Secretary. At this time, I'm honoured to be Chairman of this great club and as Chairman I would like to explain a little bit about our show for this year. As I have mentioned, this is our first Gold Championship Show but it also holds a special significance as it will be held in remembrance of long term, founder member and former president, Frank Sains. Frank was a big budgie man and reliable supporter of this club. He was our first and only HLM. But most importantly, he was a lovely man that always gave his support and wise words of advice. Frank was too ill to attend our 2017 open show but he did come to see our 2016 event. To this day, I remember the sparkle in his eyes when looking around the show and saying to me "this is marvellous, it’s a great show". I hope that this show would have made him proud.

2017 was another fantastic year for the Mid Essex Budgerigar Society, our membership continues to grow and our Open show in only it's 4th year achieved an entry of 887 and a benched figure of 710 meaning we achieved our target of reaching Gold status. Of course now we have Gold the hard work will not stop, we intend to keep building on our success and will push to make our club and show the absolute best it can possibly be and that work will continue on a yearly basis learning from each previous year to be the show of choice.

The support our online raffle received again last year far exceeded our expectations selling over 2500 tickets but as with everything we do we wanted to make this even better and thanks to our sponsors and some of the top breeders in the country again we have achieved our goal. The online raffle has become a major part of our show and the exposure on social media & the fancy press has certainly contributed towards our success.

This year we again want to encourage the Juniors, Last year we had nine Junior exhibitors. Our hope was to have the biggest Junior entry in the country, unfortunately we have no way to confirm whether we achieved this. Our sponsors share our views that todays Juniors are future champions and as such we again have some brilliant prizes for them. We will continue to encourage these juniors and of course will continue to award the same prize money across ALL sections.

Innovative, creative original ideas are not just saved for our show ! We also want to be the club of choice we put a lot of effort to attracting members within our area. We are able to offer subsidised branded seed, a bird trader service four times a year to purchase surplus birds, monthly newsletter & a members Facebook group.

We also have a non members quarterly newsletter to keep anyone that wishes to subscribe up to date with what we are up to.

Connect with The Mid Essex Budgerigar Society either online or at a meeting, everyone is very welcome.

Club Secretary/Promotional Secretary

Sponsorship

Last year we put out a call to sponsors and exhibitors alike to help us create the first Gold show in the East and South East of England for 11 years and you did it.

We were completely taken aback by the overwhelming support you showed us resulting in some exhibitors travelling in excess of 100 miles to support us. Amazing.

Our sponsors responded by offering tremendous generosity to allow us to create incentives and rewards to exhibitors seldom witnessed at a local show. You all helped us to create the 4th biggest club show based on benched numbers in the whole of the UK reaching Gold in the process.

Juniors were recognised and supported to the full with wonderful prizes and equality with their senior exhibitors and peers. The result saw 9 juniors competing giving a real sense of competition and achievement to the winners rather than a shallow victory so often seen. My sincere thanks must go here to Ricky Anderson whose idea it was to help, promote and encourage the lifeblood our hobby. To this end we will be continuing our push to help juniors and already have 2 prizes alone worth over £150.00 between them so thanks again to Birdwise and The Birdcare Company. These will be drawn on the day and 2 lucky junior exhibitors will go away extremely pleased.

We would also like to make special reference to BJS who for the 2 previous years had been our main show sponsors supporting and believing in our vision.

We must also thank Simon Gage and Birdwise for their amazing support and the generous package they have put forward including the sponsorship of the top BIS award for £100 and a further £150 worth of prizes.

The raffle this year will be the biggest it has ever been with 28 top prizes from some of the countries leading studs and suppliers to our fancy. Your support has been breath taking and the proceeds will help us immensely in trying to offer a premier show.

This year the brakes are off again with a wonderful new venue that not only offers more space but facilities that will make our guest far more comfortable on the day. There is a sports bar for those that may find the football a pleasing way to pass their time or a children activity area outside. The real bonus for us is the benefit of us using the adjoining youth centre. We are ever conscious that many travel a long distance to be with us and when judging commences it can prove to be quite congested with everyone giving a hand. This year will be completely different because for those that would like to be educated and entertained we have from 09.30 through to the end of judging 2 talks for you. Connor Hickman who has one of the most successful and respected studs in the East and South East of England will be talking about his birds and his techniques which have helped to guide him to the highest level. We will then have a fascinating talk from David and Hollie from Belgica De Weerd one of the leading Avian vets in the country. For those who have never seen or witnessed one of their talks, you will be captivated. We will also ask any exhibitors wishing to be at the talk to bring samples from their birds to be put under a microscope on the day. This can be extremely interesting as the image is shown on a screen for all to see.

We would also like to thank Copdock Mill for taking over as main show sponsors for 2018 it is hoped that they will be bringing some of their products along to join the other anticipated trade stands on the day.
