2018 was another fantastic year for Mid Essex Budgerigar Society, our membership continued to grow and our Open show, in only it's 5th year achieved a benched figure of 618 meaning we retained our Gold status for another two years. We intend to keep building on our success and will push to make our club and show the absolute best it can possibly be and that work will continue on a yearly basis learning from the previous year to be the show of choice.
The support our raffle received again last year far exceeded our expectations selling over 5000 tickets but as with everything we do we wanted to make this even better and thanks to our sponsors and some of the top breeders in the U.K & Europe again we have achieved our goal. The raffle has become a major part of our show and the exposure on social media & the fancy press has certainly contributed towards our success.
This year we again want to encourage the Juniors, our hope was to have the biggest Junior entry in the country, unfortunately we have no way to confirm whether we achieved this. Our sponsors share our views that today's Juniors are future champions and as such we again have some brilliant prizes for them. We will continue to encourage these juniors and of course will continue to award the same prize money across ALL sections.
Our sponsors have again shown tremendous generosity to allow us to create incentives and rewards to exhibitors seldom witnessed at a local show. You all helped us to create one of the biggest club shows based on benched numbers in the whole of the UK.
Innovative, creative original ideas are not just saved for our show, we also want to be the club of choice and we have put a lot of effort to attracting members within our London & Southern Counties area. As a club we are able to offer subsidised branded seed, a bird trader service four times a year to purchase surplus birds, bird and aviary visits, monthly newsletter & a members Facebook group. Connect with The Mid Essex Budgerigar Society either online or at a meeting, everyone is very welcome.

We hope you have an enjoyable day with us at our show.
Thank you from Everyone at The Mid Essex Budgerigar Society

The only UK company specialising in LED Bird Cage Lighting. We can design supply and manufacture all products to light your cages.

AVIAN LIGHTING
www.avianlightinguk.com

Lighting is one of the most important elements to keeping and breeding birds successfully. LED's have major advantages over incandescent, fluorescent and halogen.

Installation is simple and only requires basic DIY skills.

Benefits of LED's

- Even light dispersal
- Low voltage
- Cost effective
- Long Life (50,000 hours)
- Zero UV
- No Heat
- Dimming control

JOHNSTON & JEFF

Est. 1880

SPECIALIST SEEDS AND FEEDS

WINNERS CHOOSE JOHNSTON & JEFF

The quality is undeniable. The preparation is unique. Genuinely unique. Seed and nut types are cleaned individually, purity levels are extreme. And pure seed = pure nourishment.

The results of all this care and knowledge shine through. Breeding programmes and general health are considerably advanced.

Just ask any of the winners who feed our food.

We make six different blends for Budgerigars - Expert, Champions Choice, Super, Utility, Continental and Mixed Millets - plus three "Types"- higher protein/ energy supplementary feeds, plus an Aviary mix AND a blend simply called Seed for Soaking - because that's what it is.
