Welcome

The Mid Essex Budgerigar Society was formed in 1999. We are situated in the middle of Essex and have a catchment that stretches to London and Suffolk. The early 2000's were a tough time for us, with dwindling membership and rising hall costs but in 2010 an influx of a couple of young members heralded a new beginning. These with fresh ideas, passion and drive complemented the experience of the existing members and have driven the club forward massively in the last 6 years. We have moved to a club that could barely warrant club meetings to now having 12 meetings a year, a Bar Head Show, Young Stock Show, Open Show and aviary visits. In the last year the club have appointed a Sponsorship Secretary whose experience in private business has proved vitally important in our club holding its own and securing our future long term.

At the Mid Essex, we put our members first. We are able to offer subsidised branded seed, a bird courier service four times a year to take unwanted birds, cheaper entry for our open show, quality high spec prizes and increased prize money. We also have a Challenge Certificate, Colour Competition and Ring Number 1-30 league table with a trophy awarded at the end of the year.

As a club, we can never rest on our laurels. We need members, we need you, so why not come and be a part of our friendly club.

James Folly
(Club Secretary/Patronage Secretary)

Sponsorship

We would like to take this opportunity to thank all of the many companies and individuals who have so generously supported us in what has now become the biggest day in our clubs history.

The money generated has not only helped the club stage this Silver Patronage Show but also it has helped to give financial stability for the club, offering a bedrock for the future.

We have invested in materials to construct additional staging to accommodate a further 300 show cages giving the club an immediate capability nearly 700. This now gives us the opportunity to hold a Gold show should we be fortunate enough to receive the support needed to reach this milestone. There are only 12 Gold shows currently held by clubs in the Country and none in Eastern England.

A decision was also taken to double the prize money from last year's show and once again this has only been made possible by our supporter's generosity.

BJS of Worcester very kindly agreed to become the shows official sponsor and will be present on the day. Please take the time to visit Barry's stand as he will be delighted to show you a comprehensive range of his very effective, hygienic birdroom products and a look at the new BS approved Plastic Show Cage.

One of our sponsors LBS-Biotech Gold Chip Bedding has very kindly donated a 2.5 kg bag of bedding to be presented to every CC winner.

We would like to extend our sincere gratitude to WPC Print Solutions for all their hard work and time to produce our schedule and all our signage for the day.

This year has also seen the emergence of our first ever On-line raffle. All prizes are delivered to the winners making the concept available to the majority of fanciers within the UK mainland and all for £1 per ticket. A special mention must go to all the people and companies who have so kindly put up

the excellent prizes for both the on-line raffle and for the separate smaller raffle on the day. Please visit our website at www.mid-essex-budgerigar-society.co.uk and click on the raffle link for more information.

We are also pleased to announce that Laura Welsh from C&AB will be present on our day and will be taking pictures and drawing our raffles. Hopefully the lucky winners will feature in one of her future editorials. A special thanks also to Laura and her team for offering a year's free subscription to C&AB for one lucky winner in our raffle.

All we can do now is thank you all again for helping us to create a little piece of history and for those of you showing we wish you every success and for those visiting we trust you will enjoy the day.

The only UK company specialising in LED Bird Cage Lighting. We can design supply and manufacture all products to light your cages.

AVIAN LIGHTING
www.avianlightinguk.com

Lighting is one of the most important elements to keeping and breeding birds successfully. LED's have major advantages over incandescent, fluorescent and halogen.

Installation is simple and only requires basic DIY skills.

Benefits of LED's

- Even light dispersal
- Low voltage
- Cost effective
- Long Life (50,000 hours)
- Zero UV
- No Heat
- Dimming control
